

April 13<sup>th</sup> – April 17<sup>th</sup>, 2020**Dear 6<sup>th</sup> Grade Language Arts Students (and Parents),**

I don't think I've said it enough lately or directly to you, but I Miss You! Our time together has been cut short this year and it upsets me greatly. I hope you and your families are staying safe and healthy. Please remember that your teachers care greatly about you, if you need anything please email or call us.

During Week 2 (April 13<sup>th</sup> - April 17<sup>th</sup>), I would like you to work on the following:

1. Covid-19 Living History Journal – you should have a minimum of three (3) entries in your journal this week.
2. Complete the worksheets *Irregular Plural Nouns* and *Possessive Nouns* – your answers can be completed on a printed worksheet or you can type them in a word document and email them to me
3. Read for at least 30 minutes per day. If you don't have any interesting books at home, read a newspaper, find articles online if you can, read something your older or younger siblings wrote, write a story and read it out loud to your families, or call the public library to check out books (open for lobby pick up, call 541-247-7246).
4. I will have your normal quarterly book report forms available next week, be prepared and start reading now!
5. *Optional:* Log-in to Khan Academy and work on the *6<sup>th</sup> Grade Language Arts: BETA: 6<sup>th</sup> grade reading & vocabulary* assignments. **Class Code: 3TE9MDSW**
6. If you or your parents have a cell phone, download the Remind app and join my 6<sup>th</sup> grade U.S. History class by texting **@f82e8ee** to the number **81010**. This app is a way I can send out quick announcements to you without needs to share our phone numbers.

If you need anything at all (doesn't need to be schoolwork related), please get ahold of me by phone or email. I loved getting your emails last week!

Last thing, you are resilient young people stay strong. Remember to be kind and helpful to everyone. I think you are awesome!!!

Ms. Keele
