Thank you to those of you that have been sharing your Covid-19 Living History Journals, continue sharing those with me. Make sure you are sharing your work (documents) with me weekly. 2. Complete the following worksheets:

 - d. Adverb or Adjective?

– your answers can be completed on a printed worksheet or you can type them in a word document and email them to me

If you don't have any interesting books at home, read a newspaper, find articles online if you can, read something your older or younger siblings wrote, write a story and read it out loud to your families, or call the public library to check out books (open for lobby pick up, call 541-247-7246).
4. **DUE THIS WEEK** - Quarter 4 Book Report (**Due May 28th**), the book report form was sent home in the week 3 packet. If you need another copy of the book report form, it is on my website.
5. If you or your parents have a cell phone, download the Remind App and join my 6th grade Language Arts class by texting @ **f82e8ee** to the number **81010**. This app is a way I can send out quick announcements to you without needing to share our phone numbers.
