

Week 9 – Summer Break

June 1st – August 31st, 2020

Dear 8th Grade US History Students (and Parents),

I hope you have great plans for the summer, summer might be different than usual for all of us but that doesn't mean it can't be great! Please stay safe and healthy. Remember that your teachers care greatly about you! If you need anything from me this summer please email, Remind or call me. We did not get through all of the lessons that we should have this school year, **below is a list of suggestions that you could do over the summer, that would help you catch up what we missed at the end of this school year!**

My email: ckeele@ccsd.k12.or.us

My school phone (forwarded to my cell phone): 541-247-6604 (extension 332)

During Week 9 – Summer Break (June 1st – August 31st), it would benefit you to work on the following:

1. If you haven't completed all of your work and are receiving an "F" (or Incomplete) in my class you can continue to work on the assignments that I have provided since we started distance learning. At some point you will need to complete this work!
2. Read historical fiction novels about the U.S. Civil War era.
3. Watch U.S. Civil War documentaries –
 - a) History.com is playing "Grant"
 - b) Pbs.org also has U.S. Civil War documentaries (Ken Burns)

If you need anything at all (doesn't need to be schoolwork related), please get in touch with me by phone or email.

I have missed seeing you during our distance learning. I will miss seeing you in class next year. Please stop by my classroom in the future for a visit and let me know how high school is going for you. You are going to be awesome high school students!

Ms. Keele
