

Dear 6th Grade Language Arts Students (and Parents),

I hope you have great plans for the summer, summer might be different than usual for all of us but that doesn't mean it can't be great! Please stay safe and healthy. Remember that your teachers care greatly about you! If you need anything from me this summer please email, Remind or call me. Thank you to those of you that have been sharing your Covid-19 Living History Journals, if you would like to you can continue sharing those with me over the summer. **Below is a list of suggestions that you could do over the summer.**

My email: ckeele@ccsd.k12.or.us

My school phone (forwarded to my cell phone): 541-247-6604 (extension 332)

During Week 9 & Summer Break (June 1st - August 31st), it would benefit you to work on the following:

1. If you haven't completed all of your work and are receiving an "F" (or Incomplete) in my class you can continue to work on the assignments that I have provided since we started distance learning. At some point you will need to complete this work!
2. Covid-19 Living History Journal –
 - a. Describe how your summer plans are different or the same this year.
 - b. What is going on in Curry County/Oregon/United States/World in regards to Covid-19.
 - c. What are your predictions for next school year (will school be the same after this pandemic)?
3. Curry Public Library Summer Reading Program - call the public library to check out books (open for lobby pick up, call 541-247-7246).
4. ASCEND Programs (what are they doing over the summer?)
5. Read at least a book a month over the summer (that is only 3 books!)
6. Read some of the Oregon Battle of the Books, maybe you'd like to join a team next year and compete.

If you need anything at all (doesn't need to be schoolwork related), please get in touch with me by phone or email. I look forward to seeing you next school year!

Ms. Keele
